Total Combined

Monthly Payment:

clicking and dragging on a point changes all points after it.

Use refinance option:

Repayment Plan:

Graduated Plan from [04] 2016 to [04] 2017

Income based repayment from [07] 2017 to [End]
[etc]

Pay using direct deposit

Debt Strategy: Snowball
 Avalanche
 Manual

first
second
Loan 1
Loan 2

① Paying through direct deposit reduces your rates by 0.25%.

Extra Information:

Using a graduated repayment plan will force you to pay large amounts of money in the future compared with your current payments.

You should only select this option if you know your income will increase in the future.

Paying by direct deposit will save you 0.25% APY.

Refinancing your loans will prevent you from being able to defer it in the future.
